

Peppertree Crossing Portal

Welcome Guide & Easy Instructions

Welcome to your community!

This website was created to provide a secure, easy-to-use digital library for the Peppertree Crossing neighborhood. Here, you will find community documents, meeting minutes, and flyers in one central location.

How to Use the Portal

- **Accessing Files:** Simply click the large "**Download**" button next to any document to save it to your device.
- **Accessibility:** This site is specifically designed with large text and high-contrast colors to ensure it is easy for everyone to navigate.

- **Security:** This is a private portal. Only residents with the community password can view these files.

Administrator Instructions

Management can add or remove files at any time to keep the directory current.

1. **To Upload:** Log in and click the blue "**Upload New File**" button.
Select a PDF or an Image. It will appear instantly.
2. **To Delete:** Click the red "**Delete**" button next to an old document to remove it.
3. **Naming:** Name your files clearly (e.g., "**June 2026 Newsletter**") so everyone knows what they are viewing.
